

OSTA EDUCATOR AWARDS

2008

How do you recognize someone in the science field who goes beyond the call of duty for science and/or has a really super program for the students? Nominate that person for the OSTA Teacher of the Year or for the John Renner Distinguished Service Oklahoma Science Education Award. The purpose of these awards is to encourage educators to grow professionally in the field of science education and recognize those who contribute to science education in the state of Oklahoma. Awards will be presented at the OSTA Awards and recognition Luncheon.

Use the forms on the next two pages for your nominations and send them to the address on the form by Sept. 1, 2008
