

<b>Session Title</b>	<b>Primary Presenter Name</b>	<b>Science Area</b>	<b>Primary Intended Audience</b>
Apply STEM with Science Olympiad	Bob Melton	General	Middle School, High School
My Experiment with Standards Based Grading	Deborah A Hill	General	High School
Roots, Shoots, Buckets, and Boots	Dana Bessinger	General	General, Primary, Intermediate, Middle School
Newton's First One	Robin Combs	Physics	General, Primary
Your Students Already Have A Computer... In Their Pocket!	Jody Bowie	General	Intermediate, Middle School, High School, College
Environmental Science in a World of 7 Billion	Suzanne Spradline	Environmental	High School
Mosses to Masterpieces: Empowering Learners Through Art and Life Sciences	Eileen Castle	Biology/Life	General, Primary, Intermediate, Middle School
EarthStorm - Classroom Resources from the Oklahoma Mesonet	Andrea Dawn Melvin	Earth/Space	General
Modeling Unwrapping and Wrapping Science PASS	Terry Sacket	General	General
Using Models to Investigate Reading Frames, Shotgun Library Assembly, Protein	Diana Spencer	Biology/Life	General, High School, College
FOSS Chemical Interactions: Chemistry Middle Schoolers Understand and Love	Terry Shaw	Chemistry	Middle School
FOSS Diversity of Life: A Middle School Life Science Course	Terry Shaw	Biology/Life	Middle School
Biotech Labs from the Kitchen	Donita Gray	Biology/Life	Middle School
Butterfly Garden Basics	Christa Askins	Environmental	General
Critters in the Classroom	Christa Askins	Biology/Life	Intermediate
A Space Adventure Aboard the ISS	A. Marie Pool	Earth/Space	Primary, Intermediate, Middle School
ALIENS!	Kelly Wardlaw	Earth/Space	Middle School
GET into the Field a summer workshop for teachers	Cynthia Galegar	General	Intermediate, Middle School, High School

Inquiry, Constructivism and Assessment, OH MY!	Peggy Alexander	Biology/Life	Middle School, High School
Electrophoresis Beyond Biology	Fabiola Janiak-Spens	Chemistry	High School
Common Core and PASS: Common Ground?	Jody Bowie	General	Primary, Intermediate, Middle School, High School
Science Fair Coaching	Dr. Beth Allan	General	General, Middle School, High School
Science Writing	Carrie J. Miller-DeBoer	General	Middle School, High School, College
The Evolution Game	Travis Hurst	Biology/Life	High School
Staying Afloat	Kathryn Smith	General	Primary, Intermediate
Writing to Learn	Oralia Gil	Biology/Life	Intermediate, Middle School
Using Card Sorts to Develop Skills and Content	Oralia Gil	Biology/Life	High School
NASA needs You... to be an Endeavor Fellow!	O. Caprice Coleman	General	General
Critters In Their Ecosystem	Anne Miller	Environmental	Intermediate
Classification Connection	Andrea Beshara	Biology/Life	General
Nature in the Classroom	Jessica Nabavizadeh	Environmental	Primary
STEM and Other Science Resources from Texas Instruments	Robb Wilson	General	High School
FOSS Science for Grades 3-6	Verne Isbell	General	Primary, Intermediate
FOSS Science for Grades K-3	Verne Isbell	General	Primary, Intermediate
Delta Science Modules for Gades K-5	Verne Isbell	General	Primary, Intermediate
Lab Simulations and Data Collection with the TI-Nspire CX	Robb Wilson	General	High School
Science & Literacy for Grades 2-5	Verne Isbell	General	Primary, Intermediate

Teaching Students the Unseen World of the Cell	Reonna Slagell Gossen	General	Primary, Intermediate
Terrific Science Games	Rodelio Abuan	General	General, Primary, Intermediate, Middle School, High School
Acting Out Biology	Karen Bullock	Biology/Life	High School, College
Journaling to Achieve the Common Core	Bob Melton	General	General
Quality Resources to Enhance Students' Understanding of Science	Julie Thomas	General	General, Primary, Intermediate, Middle School
Creating Critical Connections in Math and Science: Blending authentic research into	Timothy A. Laubach	General	Middle School
