Oklahoma Project Learning Tree
present

"Improving Your Schoolyard Habitat" A School Site Workshop

FEB. 21, 2015

FROM 9:00AM-4:00PM

at the OSU Botanic Garden
in Stillwater

Workshop will cover:

- * Preparation for doing the PLT GreenSchools! School Site investigation at your school
- * Mapping your school site
- * Where does storm water go? (Pervious and Impervious Surfaces)
- * Soil health
- * Schoolyard habitats: food, air, water and shelter
- * Native, Non-Native and Invasive plants
- * Schoolyard Trees: species, size, health, benefits and more!

Curriculum Resources Include:

- * Project Learning Tree K-8 Guide
- * PLT GreenSchools! Investigations
- * Junior Master Gardener Lessons
- * Oklahoma Ag in the Classroom Lessons

Cost is \$20.00. Scholarships are available.
